## TAPING LINE

### TAPING LINE FOR P.T.F.E. KAPTON NOMEX CABLES

The line is predisposed with one or more concentric heads lined up between them and a capstan so that the product can go ahead at a constant speed.

To complete the line there is a pay off and a take up.

All the parameters controlled by the control panel so it will be possible check the tension of the tape in all conditions of works, also when the reel is getting empty.

This line guarantees, very high performances both of quality, management and productive.
